State of the Art GPS Global Tracking

**Your House
Arrest
SOLUTION**

Track Offenders with Ease and Save Tax Dollars!

Finally, a reliable method of Internet Reporting can be at your fingertips. ECell Inc's Internet Reporting system gives courts the ability to do paperless reporting for offenders. Using the system is easy: Simply log in on www.e-cell.com to check the status of an offender and track their movements. Our call center monitors have instant knowledge if an offender is in violation of court orders. ECell, Inc. works closely with the court to ensure the offender successfully completes the house arrest program. We contact the offender when they violate their house arrest immediately, not the next business day. With our state of the art monitoring center, we do not allow the offender any room to fail.

HOW YOUR OFFENDER PROGRAM CAN START AN E-CELL, INC. PROGRAM

1) CALL 888316-0600 OR EMAIL US AT ECCELL.COM.

2) Our local representative will contact you to set up a program.

3) You and/or your court representative will be given a user name and password to access your case files on Ecell.com at your convenience.

4) Our communications center staff will keep the web files current 24 hours a day, seven days a week

Having worked within the criminal justice system for over 25 years, we have designed a program that works and we will provide detailed information on how to make your program successful.
